

Andras Stock Farm welcomes you to our 10th annual fall female sale...

"The Andras Kind"

Red Angus Female Sale

November 5, 2011 • 1 p.m.

At the farm...just west of Manchester, Ill.

Dear Friends...

We're pleased to welcome you to our 10th Annual Fall Female Sale, "The Andras Kind."

2011 marks the 113th year of our family's involvement in the purebred beef cattle business. The people and the breed have changed, but our commitment to producing the kind of cattle that are profitable for you, our customers, remains steadfast. Our sale gets its name from a phrase that appeared at the bottom of every page of the Andras sale catalogs during the 1930s and 1940s..."The Andras Kind." We've been working diligently to be your trusted source for Red Angus cattle — real world cattle that work for you, not the other way around. "The Andras Kind" is more than just a phrase or a sale title, it is a statement of confidence in practical, genetically superior cattle that we are proud to put our name on, in our pasture or yours.

In the following page are some females we think are as good as you can purchase anywhere. We've selected from deep within our herd to present this offering. Not only are some of our best cow families represented in the following pages, but some of our very best cows are being offered this year. As in the past, we've selected a top-notch group of bred heifers that possess the traits most relevant to your bottom line. These bred heifers have their entire life ahead of them to do one thing well...work for you.

The Red Angus breed continues to enjoy tremendous interest and demand from lifelong cattlemen, as well as many that are looking to purchase cattle for the first time. Red Angus cattle have proven themselves as low-maintenance, highly-maternal, highly-fertile, easy-calving cattle with quiet dispositions. For us, raising Red Angus cattle is something we really enjoy, and we are grateful to the Lord for allowing us this "therapy" each day.

We're glad that you have taken time to examine this catalog and we look forward to seeing you in Manchester, Illinois on November 5th. If we can answer any questions, please feel free to call us. Be sure to contact us to request a DVD of "The Andras Kind" sale cattle. (You can also visit our website and watch the cattle video online.) We are proud of this set of cattle and trust you'll like them as well.

Will and Steve Andras

"For every beast of the forest is Mine, And the cattle on a thousand hills." Psalm 50:10

We're thankful that God allows us to raise His cattle on His land, and we aim to glorify Him with our lives.

"The Andras Kind"

Red Angus Female Sale

November 5, 2011 • 1 p.m. • At the farm just west of Manchester, Illinois

Sale Day Phone:

Steve Andras: (217) 473-2320
Will Andras: (217) 473-2355
Joe Fanning: (217) 370-3914
Rob Ison: (270) 704-2318
Bruce Anderson: (309) 373-5897

Sale Accommodations

Holiday Inn Express, Jacksonville: (217) 245-6500
2501 Holiday Lane, Jacksonville
(Rate is \$60 if you mention Andras Stock Farm)

Comfort Inn, Jacksonville: (217) 245-8372
200 Comfort Drive, Jacksonville

Other Hotels in Jacksonville:

Super 8: (217) 479-0303
Hampton Inn: (217) 291-0415

Directions:

From South: Follow Hwy 67 North. 4 miles North of Roodhouse, IL, Hwy 67 will become a four-lane highway, stay on four-lane for 1/2 mile, then turn Left (West) onto Field Road. (watch for signs) Follow Field Rd for 1 mile, then turn right (North) onto Suttles Rd. Go 1/8 of a mile, sale location is first place on the Left.

From East or West: Follow I-72 to Jacksonville, IL, take Exit 60A, (you'll then be on Hwy 67 heading South). Then follow directions for "From North"

From North: Follow 67 South to Manchester (12 miles South of Jacksonville). (watch for signs) Turn Right toward Alsey, then immediately Left at the T, heading West toward Alsey (Alsey-Manchester Blacktop). Stay on blacktop for about one mile until crossroads, turn Left (South) onto Suttles Rd. Follow Suttles Road about one mile, sale location is first place on Right.

Note: If you're using a GPS to get here, enter 121 Suttles Rd, Roodhouse, IL, 62082

Conference Call...

Buyers unable to attend the sale but wishing to bid live during the auction can participate by using the Conference Call line. You will hear the auction and bid live with a moderator taking your bids. To place a bid on a bull, simply say (loudly) your buyer number, and the Conference Call moderator will turn your bid in to the auctioneer.

In order to participate in the Conference Call, you will need to pre-register to get your buyer's number. At this time you'll be given the **Conference Call phone number and pin code.**

Please call 217-587-2436 anytime before 10 a.m. on sale day to register. We certainly invite you to pre-register for the conference call during the week prior to the sale.

Auctioneer:

Bruce Anderson:
(309) 526-8773

(IL Auctioneer License #: 040.0000643)

Ringmen:

Sale Terms and Conditions

TERMS: Terms of the sale are cash, check, or other terms agreed to in writing between seller, buyer, and sale manager payable immediately upon conclusion of the sale before animals will be moved. We reserve the right to require a certified check as settlement before releasing any cattle.

PURCHASER'S RISK: All animals are the owner's risk prior to their sale and become property of the purchaser as soon as declared sold by the auctioneer.

BIDDING: Any disputes or challenges regarding bids or tie bids will be settled by the auctioneer and his decision will be final.

CERTIFICATE OF REGISTRY: A certificate of registry for each animal will be transferred to the buyer at the seller's expense.

ANNOUNCEMENTS: Any errors or changes in information contained in the catalog will be announced from the block and such announcements shall take precedence over the information contained herein.

HEALTH: All animals are eligible for interstate shipment. Interstate health papers prepared by an accredited veterinarian will be furnished on each animal sold. Arrangements for international shipment should be made with the sale manager prior to the auction. All efforts for the exportation of cattle can be arranged through the sale manager.

BREEDING GUARANTEE: All animals are guaranteed by the seller as outlined in the Red Angus Association of America Code of Ethical Sale Practices.

LIABILITIES: All persons who attend the sale do so at their own risk. The seller, auction facility, and sale manager assume no liability for any accidents that may occur. Neither does the seller, auction facility, or sale manager assume liability for the loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is to be clearly understood that the sale manager and its representatives act only as a medium between the buyer and the seller. They are not responsible in any way for the failure on the part of the buyer and seller to live up to their obligations or for the truth of any warranties or representation, express or implied. Neither does the sale manager assume any financial obligations to collect or enforce collection of monies between parties. Any legal action, that may in exceptional cases be taken, must be between the buyer and the seller. This catalog has been prepared by the sale manager from pedigrees and information supplied by sources deemed reliable, however, the sale manager will in no way guarantee the pedigree, percentages of the animals selling, or data included in this catalog. Any exceptions taken are between the buyer and the seller.

HEALTH CERTIFICATES: Interstate health certificates will be furnished on each animal sold. Cattle sell guaranteed to export with any special export testing of cattle to be done after the auction. Special details in regards to the foreign exportation of cattle may be arranged.

TRUCKING: Trucking can be arranged to coordinate loads for the least possible cost. If you know you'll need trucking, please contact Will or Steve prior to the sale so arrangements can be made.

INSURANCE: American Livestock Insurance through Harding & Harding will be available sale day.

GENETIC DEFECT AND PARENTAGE GUARANTEE:

1. All animals are guaranteed not to produce a calf with the following defects: Dwarfism, Double-muscling, Parrot Mouth, Osteopetrosis (marble bone disease), and Syndactylism (Mule Foot). The parentage of the animals bred by the Seller is guaranteed to the extent that the animal is by the Sire and out of the Dam indicated on its registration paper. These guarantees are effective for a period of two years from the date of sale only under the following conditions.

- The Buyer shall notify the Seller in writing immediately upon the birth of a calf suspected of being defective or immediately after determination is made that such calf is defective, or if parentage is suspected or found to be in error.
 - The Seller, at his expense, shall be permitted and provided, with reasonable opportunity, to obtain blood samples of an alleged defective calf and its sire and dam for the purpose of blood type/DNA analysis to establish parenthood. In the case of suspect parentage, the Buyer at his expense, shall be permitted and provided with reasonable opportunity to obtain blood samples of the animal in question and its sire and dam for the purpose of blood type/DNA analysis to establish parenthood. If sire or dam is indicated on the animals registration paper is proven to be in error by such analysis, the Seller shall reimburse Buyer for cost of such analysis. c) The animals will be returned by the Buyer to the Seller at the Buyer's expense; provided the animal meets the health requirements for the Seller's state. d) The replacement of an animal with another of equal value or the refund of the purchase price, in connection with a defect producing animal or an animal whose parentage is in error, shall be deemed full satisfaction and settlement.
- 2) In the event there is a dispute as to whether or not a calf is defective, or parentage is in error, "determination" referred to in Paragraph 1A above shall be made by a person or persons acceptable to both the buyer and Seller. In the event that the Buyer and Seller cannot agree on the selection of such person or persons, then each of them shall appoint a representative to make the determination. In the event that such representatives fail to agree, a third person selected by the representatives of the buyer and Seller shall make the determination.

CONTRACT: The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

PHONE BIDS: Telephone bids will be taken by the Andras family. Sale day phones listed on page 1.

Predicting Profit...

...The Ranchers Guide to EPDs

Cowherd Building Traits

Profit starts at Reproduction!

Racing selection pressure on traits that will have a direct impact on your marketed product (weaned calves, yearlings, carcasses sold in the meat) can certainly increase your revenue on a per calf basis. However, in order to achieve the higher goal of increased revenue per cow exposed, selection pressure must be placed on cow herd building traits.

Profitable reproduction can be boiled down to success in these four Economically Relevant Traits:

Calving Ease Direct (CED): The expected progeny difference of calves being born unassisted from two year-old heifers. The Red Angus CED model accounts for contemporary group birth weight differences and calving ease \$00/50.

Heifer Pregnancy (HPG): The expected progeny difference of heifers conceiving to calve at two years of age.

Calving Ease Maternal (CEM): The expected progeny difference of a given animal's daughters calving unassisted at two years of age.

Stayability (STAY): The expected progeny difference of a bull's daughters remaining in the herd until at least six years of age. Females that don't stay in the herd that long are losing money, and they also contribute to a higher rate of replacement females that the rancher can't cash crop.

Down Cut Money! That's why Red Angus published the Mature Cow Maintenance Energy EPD (ME EPD), becoming the first beef breed to evaluate the expense side of the rancher's profit equation. Here are the facts:

- ME predicts differences in maintenance energy requirements of mature daughters of a bull.
- Maintenance energy requirements are directly related to feed cost - often producers' largest single expense.
- The lower the ME EPD, the less feed daughters require to maintain body condition.
- ME can be used to ensure a sire's staff and to estimate additional feed required by increased growth & milk.

With a long standing commitment to better serve this continually changing beef industry, Red Angus has prepared for tomorrow's challenges through New & Improved Genetic Predictions (EPDs).

Red Angus has combined databases and subsequent EPD calculations with the American Simmental Association in order to simplify producers' use of crossbreeding programs by supplying them with true multi-breed EPDs. This enhancement enables Red Angus to provide reliable EPDs on all animals in the database, regardless of breed composition. Additionally, with the recent changes to carcass value Red Angus has added Carcass Weight and Yield Grade to its arsenal of ERTs.

EPDs are the most reliable predictors of an animal's true genetic merit. As the only major breed based to mandate Total Herd Reporting (THR), Red Angus EPDs have the built in advantage of being calculated from 15 years of complete contemporary group data. EPDs have "fast-tracked" beef cattle improvement and removed much of the guesswork associated with selecting range bulls.

Trait	Abbrev	Expressed in (units)	90%	25%	10%
Calving Ease Direct	CED	% Probability	5	8	39
Birth Weight	BW	Pounds	-0.1	-0.4	-2.7
Weaning Weight	WW	Pounds	32	39	45
Yearling Weight	YW	Pounds	60	72	82
Milk	Milk	Pounds	17	28	35
Total Maternal	TM	Pounds	35	37	41
Maintenance Energy	ME	Mcal/Mounds	4	2	-1
Heifer Pregnancy	HPG	% Probability	10	11	13
Calving Ease Maternal	CEM	% Probability	1	5	7
Stayability	STAY	% Probability	0	31	33
Marbling	MARB	USDA Marbling Score	0.08	0.22	0.89
Yield Grade	YG	USDA Yield Grade	-0.02	-0.08	-0.22
Carcass Weight	CW	Pounds	36	44	51
Ribeye Area	REA	Square inches	0.09	0.22	0.31
Backfat	FBT	Inches	0.00	-0.03	-0.02
